PREPAREDNESS

Since the confirmation of the first case on 27th February 2020, the NCDC has released advisories and statements to help Nigerians and affected groups in particular to respond to the pandemic

- NCDC and the Department of Hospital Services (Federal Ministry of Health) have updated the [case management guidelines](#) (version 3) with reviewed changes such as the discharge criteria and medication being used for the treatment of cases
- Guidelines have been issued for the [safe transportation of remains of persons suspected or confirmed to have died of COVID-19](#)
- Information on diagnostics of the COVID-19 virus can be found in our [detailed FAQ document](#).
- To increase our testing capacity, NCDC has issued guidelines for the [integration of private labs](#).
- Guidelines for [businesses and employers](#) have been updated.
- NCDC has updated its [case definition](#) , [community case definition](#) and [case management guide](#).
- NCDC releases periodic [public health advisories](#) to Nigerians on the COVID-19 disease.
- To adhere to post-lockdown measures, NCDC has released an [advisory on the use of face masks](#), as well as information on the [Use of Cloth face masks](#) and [how to make your cloth face masks](#).
- NCDC has released guidelines for the [management of pregnant women and nursing mothers](#) during the pandemic.
- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the [management of dead bodies](#).
- NCDC has released a [Self-Isolation and Quarantine Guide](#) and [Mandatory institutional guideline for returnees to Nigeria](#) to help those who are exposed to COVID-19 confirmed cases or returnees to Nigeria.
- For health centres managing cases, the following documents have been released- a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Ongoing engagement with states to identify challenges in data management**
- **Commenced tracking of daily sample collection by states**
- **Trained 717 network staff of national disease programmes on Infection Prevention and Control IPC across various sessions in Lagos**
- **Supported the development of guidelines for the second phase of the ease of lockdown and opening of religious centres**
- **Ongoing planning of training of border communities in the Economic Countries of West Africa States (ECOWAS) region**
- **Produced additional jingles on the asymptomatic nature of COVID-19 in English, Hausa, Igbo, Pidgin and Yoruba**
- A total of 80 persons of interest (POIs) who have recently returned to Nigeria are positive: 39 in Abuja and 41 in Lagos
- Ongoing finalisation of sample collection scale up strategy
- Developed guidelines on waste management
- Deployment of IPC supplies and commodities to the FCT sample collection centre, and the Anambra and Kaduna Labs
- All education materials can be found via www.covid19.ncdc.gov.ng
