## PREPAREDNESS

Since the confirmation of the first case on 27<sup>th</sup> February 2020, the NCDC has released advisories and statements to help Nigerians and affected groups in particular to respond to the pandemic

- To aid with the eased lockdown, NCDC has also released [guidelines on the re-opening of places for worship](#).
- NCDC has also released operational guidelines for the [Police and other Law Enforcement Agencies in Nigeria](#)
- NCDC and the Department of Hospital Services (Federal Ministry of Health) have updated the [case management guidelines](#) (version 3) with reviewed changes such as the discharge criteria and medication being used for the treatment of cases
- Guidelines have been issued for the [safe transportation of remains of persons suspected or confirmed to have died of COVID-19](#)
- Information on diagnostics of the COVID-19 virus can be found in our [detailed FAQ document](#).
- To increase our testing capacity, NCDC has issued guidelines for the [integration of private labs](#).
- Guidelines for [businesses and employers](#) have been updated.
- NCDC has updated its [case definition](#) , [community case definition](#) and [case management guide](#).
- NCDC releases periodic [public health advisories](#) to Nigerians on the COVID-19 disease.
- To adhere to post-lockdown measures, NCDC has released an [advisory on the use of face masks](#), as well as information on the [Use of Cloth face masks](#) and [how to make your cloth face masks](#).
- NCDC has released guidelines for the [management of pregnant women and nursing mothers](#) during the pandemic.
- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the [management of dead bodies](#).
- For health centres managing cases, the following documents have been released- a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

## RESPONSE

On 28<sup>th</sup> February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Deployment of response teams to support Port Health Services (PHS) to capture passenger information electronically into SORMAS in Lagos and FCT airports**
- **Conducted the first in series of planned IPC training for tertiary and private hospitals supported by partners in Kebbi State**
- **Guideline for worship places launched and circulated to religious leaders and the public**
- Two (2) labs activated in Kano State E-health and International Foundation Against Infectious Diseases (IFAIN) labs
- Reviewed State's Situation Report (SITREP) template to reflect new data requirements for samples collection
- A total 384 returnees/Persons of Interest (POIs) were received from Egypt (115) and India (269) (169 in Abuja and 100 in Lagos)
- Shared quarantine guidelines and distributed NCDC care kits to returnees in FCT and Lagos
- Trained media reporters and editors on factual, human angle story reporting and on how to improve relationship with Emergency Operations Centre (EOC) and Task Force
- Ongoing development of a video on contextual use of Personal Protective Equipment (PPEs) in Treatment Centres
- Finalised guidelines for schools reopening
- All education materials can be found via [covid19.ncdc.gov.ng](https://covid19.ncdc.gov.ng)
